jelani.day@citylax.org

PSAL lacrosse players and coaches,

Starting on the weekend of **December 3rd-4th**, we will be hosting our winter clinics for the 11th consecutive year at one of our partner schools in each of the five boroughs. All PSAL boys and girls players are welcome to attend. Below, you will find everything that you need to know, including a list of all of the clinic locations, dates, and times.

Registration

All players interested in attending the clinics must register with us. No exceptions. As a bonus for registering, you will be entered into a raffle for a chance to win free lacrosse gear. We will select two boys and two girls. Winners will be announced on Tuesday, February 21st.

Register here: <http://bit.ly/2016CityLaxWinterClinicPlayerRegistrations>

Inclement Weather Procedure

With the exception of Frederick Douglas Academy, all of our clinic locations have gym access. If the weather forecast or existing conditions on the morning of the clinic indicate a question on whether or not we can play (severely cold temps, torrential downpour, lightning/thunder, and/or snow/ice on fields or roadways, the Staten Island Ferry is not running), we will use the following system to communicate a decision of "go" or "no go" at least 90 minutes before the clinic start time:

- 1) The CityLax Weather Hotline: (212) 613-5466
- 2) An announcement on our Facebook page: www.facebook.com/CityLax
