The appropriate line of communication regarding student issues and/or questions related to your school's athletic program is to contact your program's athletic director or principal.

You may locate your PSAL athletic director or principal's contact information on the athletic program's profile page by finding the name of the athletic program on the "schools" tab.

We will direct coaches, families, and students who contact the PSAL staff regarding student matters, including eligibility, to their school's administration.
